Subject: CES: Transient Meter
Rockette:

We are ready to return the transient meter. Please give me the drop-off location. Also, my contractor provided the \$1000 deposit so the return check should go back to them. The return of the Deposit needs to be made to and sent to the following:

CB&I Federal Service

Project #: 500255

Attn: Steven Lavergne

2370 Towne Center Blvd.

Baton Rouge, LA 70806

Thanks
